The Biography Channel

****New** *Linda Blair Biography***: Sunday, June 5 at 8pm ET/PT

A profile of the actress who suffered bad press, unfounded rumors, and even death threats after she starred in the ultimate horror movie, *The Exorcist*. Determined to escape the dark side of fame, Linda Blair would be nominated for an Academy Award and star in highly rated TV movies of the week. However, due to the failure of *The Exorcist II*, countless "B" films, and bad publicity stunts, Blair finally walked away from

the limelight and redirected her attention to the fight for animal rights. The biography includes an interview with the *The Exorcist II* director William Friedkin and rarely seen behind-the-scenes footage from the film.
